

GAMTE Conference
October 17, 2007
Rock Eagle 4-H Center

1:30 - 2:20

Speakers: Don Brown and Blanche Presley - Macon State College
Title: Pre-service Teachers' Thoughts on Mathematical Authority
Room: International Paper #1

Speaker: Kelly Edenfield - University of Georgia
Title: The Mathematical Preparation of Secondary Teachers
Room: International Paper #2

2:30 - 3:20

Speaker: Celil Ekici - University of Georgia
Title: Demands of Tasks in Teaching with Reform Curricula
Room: International Paper #1

Speakers: Marvin Smith and Stephanie Smith - Kennesaw State University
Title: Assessing Understanding of Multiplication through Words, Pictures and Numbers
Room: International Paper #2

3:30 - 4:20

Speaker: Ollie Manley - Georgia State University
Title: Using Technology to Design Teaching Modules in Mathematics and Science
Room: International Paper #1

Speakers: Ginger Rhodes, Eileen Murray and Chandra Orrill - University of Georgia
Title: Supporting Teachers Through Hands-On Learning
Room: International Paper #2

Speaker: Gunhan Caglayan - University of Georgia
Title: Relational Notation and Mapping Structures
Room: International Paper #3

4:30 - 5:20

Speaker: Angela Teachey - Kennesaw State University
Title: The Kennesaw State University Mathematics Methods Model
Room: International Paper #1

Speakers: Chandra Orrill, Ginger Rhodes, and Eileen Murray - University of Georgia
Title: Professional Development for Professional Developers
Room: International Paper #2

Speakers: Susan Swars, Lynn Hart, Stephanie Smith, Marvin Smith - Georgia State University
Title: A Longitudinal Study of Elementary Preservice Teachers' Beliefs and Their Relationship to the Specialized Content Knowledge for Teaching Mathematics
Room: International Paper #3
